The Wounded Warrior Project (WWP) seeks to assist those men and women of our armed forces who have been severely injured during the conflicts in Iraq, Afghanistan, and other locations around the world. Many of the injuries are traumatic amputations, gunshot wounds, burns, and blast injuries that will retire these brave warriors from military Service. The WWP is a registered 501(c)(3) nonprofit organization. Please come ride with us to benefit those that sacrificed for us. Please see our website for details at www.hoofinforheroes.com.
